

## JOB DESCRIPTION

### **ESS Executive - Fractional CAIO Network**

**Engagement Model:** Fractional AI Leadership | AI Advisory Board Roles | Strategic AI Consulting | Interim CAIO Management

**Location:** Global | USA | Vietnam | Hybrid & Remote Opportunities

### **About the Network**

The ESS Executive Fractional CAIO Network is an exclusive community of experienced AI executives, technology strategists, digital transformation leaders, and innovation advisors dedicated to helping organizations unlock the value of Artificial Intelligence through flexible executive leadership.

Designed for seasoned leaders who prefer advisory, interim, and fractional executive engagements, the network provides access to high-impact opportunities with startups, SMEs, family businesses, private equity-backed companies, and enterprise organizations seeking AI leadership without the commitment of a full-time Chief AI Officer.

Members gain access to a trusted ecosystem of CEOs, founders, boards, and investors looking to accelerate AI adoption, strengthen governance, and drive measurable business outcomes through responsible innovation.

### **Areas of Expertise**

#### **AI Strategy & Leadership**

- Enterprise AI Strategy
