

JOB DESCRIPTION

ESS Executive - Logistics Leaders Network

Engagement Model: Executive Placements | Logistics Leadership Roles | Distribution Transformation Programs | Supply Chain Optimization Projects

Location: Global | USA | Vietnam | Hybrid & On-site Opportunities

About the Network

The ESS Executive Logistics Leaders Network is an exclusive community of Logistics Executives, Distribution Leaders, Transportation Experts, and Warehousing Professionals dedicated to driving logistics excellence, operational efficiency, and supply chain performance.

Designed for experienced logistics and distribution leaders, the network provides access to executive leadership opportunities, logistics transformation initiatives, global distribution programs, and supply chain optimization projects across diverse industries.

Members gain access to a trusted ecosystem of manufacturers, logistics providers, retailers, e-commerce organizations, and multinational enterprises seeking logistics leaders who can improve service levels, optimize costs, and strengthen end-to-end distribution capabilities.
