

JOB DESCRIPTION

ESS Executive - Entrepreneur-in-Residence (EIR) Network

Engagement Model: Venture Incubation | Strategic Advisory | Interim Leadership | Innovation Mentorship | Investment Readiness Projects

Location: Global | USA | Vietnam | Hybrid & On-site Opportunities

About the Network

The ESS Executive Entrepreneur-in-Residence (EIR) Network, a core component of the ESS Executive, is an exclusive community of Serial Entrepreneurs, Venture Builders, Innovation Leaders, and Startup Operators dedicated to accelerating venture creation and business innovation within the Pillar 7 Entrepreneur Economy.

Designed for experienced entrepreneurs and high-impact business leaders, the network provides access to venture incubation programs, startup acceleration initiatives, strategic advisory opportunities, interim leadership assignments, and innovation-driven projects across global markets.

Members gain access to a trusted ecosystem of founders, investors, venture capital firms, accelerators, incubators, corporate innovation teams, and multinational organizations seeking entrepreneurial talent capable of transforming ideas into scalable and sustainable businesses.
